

CONFIDENCE – (noun) full trust, belief in the powers, trustworthiness, reliability.

Capture the Confidence of Telesis Technologies – Just like the JGR Pit-Crew; the Telesis Team is a well-oiled machine with the product confidence to make you a Winner! Join up with the same Telesis Team that supports Joe Gibbs Racing with “first-in-class” laser technology and stop and see us at this year’s IMTS event in Booth N-6163 September 13-18 in Chicago.

Since 1971, Telesis Technologies, Inc. has provided permanent marking and processing solutions to our customers ranging from small job shops to the bluest of blue chip companies all over the world. Solutions comprised of “First-in-Class” Diode-Pumped, Fiber, Nd:YAG, and CO2, and laser; as well as Pinstamp® and BenchMark® dot-peen systems, and TeleScribe® scribe marking systems.

Contact HillCrest Enterprises for more information on partnering with the Telesis Team and capturing the confidence.
